

Iowans For Gun Safety Primary Election 2026 Voters Guide

Iowans For Gun Safety emailed a two-question survey to all 117 candidates for federal or state offices in the June 2, 2026 Primary Election. The responses to the two questions are entered into the table below. Note that there were very few responses. The two questions: 1. If elected to office, would you support a red flag law, which would permit a state court to order the temporary seizure of firearms from a person who they believe may present a danger to self or others? 2. If elected to office, would you support a ban on the sale, manufacture, and import of certain semiautomatic firearms with military-style features, like detachable magazines, pistol grips, folding stocks, or flash suppressors, along with high-capacity magazines holding more than 10 rounds? Response choices were Yes, No, and Undecided. Blank cell = No Response.
